information

EXCITING NEWS!

Please join Motor City POCI
in supporting the Joe Kocur Foundation for Children!

The **Joe Kocur Foundation for Children** has been assisting children's organizations, non-profits and local families in need by developing fundraising events that are both family friendly and provide for an opportunity to interact with others in the community that value the spirit of giving. Since the formation, the foundation has assisted local charities with the primary goal of focusing on families that need assistance either by financial means or logistical support.
