Dear Motor City POCI,

Thank you for your recent gift of \$3,250. Your continued support will help forward our mission to inspire and fund game-changing research to discover effective treatments for pediatric brain cancer, with an emphasis on diffuse intrinsic pontine glioma (DIPG).

The ChadTough Foundation and Michael Mosier Defeat DIPG Foundation, two leading foundations in the field of pediatric brain cancer research funding, united in 2021 to become ChadTough Defeat DIPG Foundation. The foundations are tougher together to elevate and amplify the impact on finding a cure.

Because of YOU, we can continue to fight for a cure as one foundation and give hope to families around the world. We are so grateful for your support.

Sincerely,

Co-Founders  
ChadTough Defeat DIPG Foundation
