

Hello everyone **From: Mike Cushing - Feb. 26th**

We've been invited to a party!

One of our new sponsors, **Arsenal Harley Davidson of Waterford**, has invited all of us to join them for their annual Shanty Fest!

Motor City POCI, friends and their guests have all been asked to tour the dealership at 11:00 AM on 26 February, featuring both levels of their awesome building, and then join their Shanty Fest, which begins at 12:00. The Fest includes a Fat Tire Build on the showroom floor, **free beer, free Arsenal coney dogs**, and ice fishing for coupons. Of course, there will be plenty of awesome motorcycles, too, just in case anyone is interested! And yes, if you'd like to buy a motorcycle, the Arsenal staff will be available to help!

Please feel free to extend an invitation to friends and family, as our hostess, Kari Cannady, Dealership Owner, feels "the more, the merrier"!

Date: Saturday, 26 February at 11:00 AM

Location: Arsenal Harley Davidson, 4405 Highland Road (M-59)
Waterford, MI

If you plan to come, *please respond to this email and indicate number of guests* thanks! This looks like a lot of fun, great bikes to have a look at, and of course, lunch is on Kari!

Please call if you have questions

See you on the 26th!

Mike Cushing
