Dear Motor City Club members:

On behalf of the staff and board of directors, I want to say "Thank You" for your generous donation of \$500.00 we received in October.

We truly appreciate your generosity. Your donation helps make it possible for the people who have never had the opportunity to own a magnificent piece of history, like a Pontiac or an Oakland, come in to see and learn about the automotive history that we are all so passionate about.

We have been fortunate to collect many wonderful pieces of Pontiac and Oakland history and to be able to house them in a brick and mortar location is even better. Your donation helps us to store and maintain these pieces of history and will help keep these artifacts available to the public so we can continue to educate those who visit.

Sincerely,

Penny Dye
Assistant Director
