On behalf of the Fallen and Wounded Soldiers' Fund (FWSF), I would like to extend our sincere appreciation for the generous donation of \$500.00. Because of this generosity, we may continue to help the troops that keep our country and our freedom safe.

The most important mission of FWSF is to ensure that the money raised is placed with service men and women who need our help. The FWSF has appointed a committee to distribute these funds to the neediest of our troops and their families. Rest assured, they will evaluate and allocate resources appropriately. We work very closely with the Department of Veterans Affairs in Michigan, and they keep us informed of wounded veterans and the families that need our help. Please feel free to visit our website, [www.fwsf.org](http://www.fwsf.org), for general news and developments regarding FWSF.

We would also like to add that we are an all-volunteer organization that is non-partisan and a non-profit 501(c)(3). All of our volunteers and committee members give their time and effort out of the kindness of their hearts. There is absolutely no financial remuneration.

Thank you for supporting our troops and their families.

With kindest regards,

Lynne Minish  
Treasurer/FWSF
